

Technical drawing of a flange. The top left shows a top view with a circular flange and a central hole. The bottom left shows a side view of the flange. The right side shows a 3D perspective view of the flange. The drawing includes dimensions: $\varnothing 150$ for the outer diameter and $\varnothing 184$ for the inner diameter. A diagonal line with a cross symbol indicates a section line. A large diagonal watermark reads "连云港海威斯特贸易有限公司".
